Pre-Interview Assessment: Neural Network Maintenance Experience

Thank you for your interest in participating in our interview on neural network debugging. This pre-assessment form helps us understand your background, experience, and the tools you use when maintaining neural networks. Your responses will assist us in preparing for the interview and ensuring it is relevant to your expertise. Please complete the form, as it will determine your eligibility for the interview.

* Required

1. Please describe a recent experience where you tested and/or debugged a neural network. Provide as much detail as possible about the issue encountered, the tools or processes you used to address it, and the outcome. *

2. Please provide your company or organization email *

3. I acknowledge that I will complete the interview without using AI assistant, and I understand that if there is any suspicion of such usage without prior disclosure, my interview will be counted as an invalid one *

   ◯ I agree
